Capability Statement

American Sanitary Products, Inc. (“ASP”) was founded in 1991 as a manufacture and distributor of Solidbar (odor counteractants). Today, American Sanitary Products is a subsidiary of **IMPACT DIVERSITY SOLUTIONS, CORP.** Minority-Owned, National Minority Supplier Development Council (NMSDC) member and a Verified Service-Disabled Veteran-Owned Small Business qualified to support U.S. Government agencies' healthcare facilities. Since 2008 we have maintained best-in-class contracts supporting the Janitorial and Sanitation (JAN SAN) Cleaning Industry, including the VA Healthcare facilities and all high-security federal penitentiaries.

Our team has decades of experience delivering a wide array of healthcare JAN SAN solutions on a national scope. **American Sanitary Products, Inc** has a Preferred Contractor status with the Department of Veteran Affairs and a key JAN SAN supplier/distributor for its Medical Surgical Prime Vendor program (MSPV) contract.

We partnered with industry-leading manufacturers that provide Green Cleaning Technology and Environmental products. These organizations include, but are not limited to, Diversey, Sunburst Chemicals, Contec, Clorox, GOJO, Georgia Pacific, Kimberly Clark, Essity, Geerpres, NCL, WOW Stainless Steel Cleaner/Maintainer, Rochester Midland, IPC Eagle and Taski.

Vehicles ASP's agile approach accommodates several procurement vehicles, which include direct ordering via 1) procurement card, 2) Federal Supply Schedule, 3) VA MSPV Formulary, 4) Medical Prime Vendor Program (DAPA) and 5) Strategic National Stockpile (SNS) BPA. These vehicles empower our customers with the ability to save time, money and to make a maximum contribution toward achievement of their Small Business Spending Goals (e.g., VOSB, SDVOSB, SB & SDB).
